

Bright Future STEM Program – In School Event - Media Consent Permission Slip

Your child is invited to participate in a session of the Bright Future STEM program to be delivered at: -
**Wilston State School, 11 Primrose St, Grange QLD 4051 on Tuesday 18th November 2025 &
Wednesday 19th November 2025.**

The program aims to raise students' awareness of the diverse career opportunities made available through the study of Science, Technology, Engineering and Mathematics (STEM).

Australian Resources and Energy Employer Association (AREEA) has developed this program due to a decline in these areas of study, despite a forecasted growth in demand for these skills for the future workforce.

This unique national program gives students in Years 5-6 the opportunity to engage with industry STEM professionals, learn about diverse and rewarding careers and participate in hands-on, interactive STEM based activities.

This form asks you to provide consent (or otherwise) for photographs or video footage to be taken of your child during the incursion.

MEDIA CONSENT

Photographs or video footage may be taken of your child and used in online/print publications or on www.brightfuturestem.com.au, to promote the program.

- ☐ Yes, I give consent for my child to have their image used as described above
☐ No, I do not give consent
